

Edison High School Booster Meeting Minutes Jan 13, 2021

Zoom attendees: Carylin Waterval, Greg Dombrowski, Linda Pinkney, Tracy Brown, Carol Montoya, Shelly Edenhart, Rose Vizcarunda, Kim Baumgartner, Mike Bechtold, George Polovchik, Chad Lewis

President's Report: Carylin Waterval, President

Introductions

Christmas Tree sales were successful. \$4,900 received. Moving forward with permits for spring flower sale. Virtual Tag Day – going door to door in March will not be possible. \$16-18K raised in years past. Ask athletes to request donations from families and community and go beyond door to door. Create contest for athletes who raise the most money for their team. Create video of student athletes from each team and send out the email. We have the ability to email all athletes and families. Also checking with other schools to see what they are doing for their tag days this year.

Dec Meeting Minutes Approval: Shelly Edenhart, Secretary

Tracy motion to approve, 2nd from Linda Pinkney.

DSA Report: Greg Dombrowski, DSA

Proud of coaches and athletes who are working hard to follow mitigation strategies. Amazing what they have accomplished. Feb 4 – Football, Cheer Fall Sports begin. Feb 15th – all other fall sports, Volleyball, Golf, Field Hockey and Cross Country. Activity registration form is going out. Live stream has been installed in gym and stadium.

Turf field money is no longer being required from the county this year. Typically \$15K.

Currently 45% of our county has had a pause in sports but we have mitigated the spread by doing so. In general FCPS coaches are doing better than other schools. Only paused for one case for each team boys basketball, football and track.

Signs requested to be put up for practices so general public is not using track during practices and meets.

County is allowing 25 spectators to home team Varsity games. 2 spectators per athlete up to a third of your capacity. 65-70 x 2 for each team and we will be collecting fees for Football and Volleyball. Max 1500 at football field. Concession sales are not allowed yet but things could change.

Awards from last year winter sports were requested for indoor track athletes. Greg and Coach Baumgartner coordinating.

Membership Report:

2020-21 Members: 84 to date

Communications Report:

Spirit Wear sales for December \$430 sold. Edison Strong tshirts are still available. Tracy sending a message to Greg to send out to the staff. Sponsor advertisements will start in the Eagle Blast.

Treasurer's Report:

Review of Budget and balance sheet. East Bay check never arrived so we reissued check.

Secretary's Report:

Mask order on hold.

Old Business: Motion approved to purchase 40 hurdles at \$95/hurdle + \$700 shipping. Highly recommend shed space be cleared out prior to hurdles coming in so they can be stored properly for Spring season.

New Business: Request for new head sets for football team. Reconditioned last year to get by but did not work all the time. Communication from press box to field is important for the games. \$2500 trade-in from old headset. Coach has researched the best prices. \$2162 for headsets requested. Motion to provide football team funds from glam account. Linda 2nd. Motion was approved.

Future meetings: Feb 10, March 10, April 14, May 12
