Meeting called to order by Kristyna, 7:00pm

- Welcome to all
- Introduced Board Members
- Overview of how boosters support student athletes; 501c3, fundraising activities, concessions, sports passes, donations, spirit wear, bricks, sponsorship

### **1. Membership Report (Linda Pinkney)**

- a. As of tonight we have 505 members! That is a great number!

### **2. DSA Report (Greg Dombrowski)**

- a. New turf field installed at the stadium over the summer which includes the new logo. The auxiliary field is starting today. He has gotten great feedback on the updated logo.
- b. New sports added to FCPS this year; Boys Varsity volleyball and Girls wrestling teams.

### **3. Treasurer (Carol Montoya)**

- a. Carol presented the 24/25 budget. Explained budget line items, team balances, concession allocations and balance sheet/reserve items.
- b. Boosters work with coaches and DSA to prioritize team needs.
- c. No Tag Day or Craft Fair due to calendar conflicts, shifting focus to Giving Tuesday. We will focus on bigger items that are above and beyond what the county can support. Our work will start now to get teams to help figure what is needed in support of Giving Tuesday (video clips, coaches input). If a coach can pinpoint a specific item/piece of equipment, it would be beneficial for the campaign.
